# NCP – National Contact Point

The screenshot shows the European Commission Research & Innovation Participant Portal. At the top, there's a blue header bar with the European Commission logo, the text 'RESEARCH & INNOVATION', and 'Participant Portal'. Below the header, a navigation menu includes 'HOME', 'FUNDING OPPORTUNITIES', 'HOW TO PARTICIPATE', 'EXPERTS', 'SUPPORT' (which is currently selected), and 'LOGOUT'. A search bar is also present. The main content area is titled 'National Contact Points' and contains sections for 'network of national contact points (NCPs)' and 'NCP Services'. It explains that NCPs are national structures established by governments of EU member states and associated countries to provide guidance, practical information, and assistance on all aspects of participation in Horizon 2020. It also notes that NCPs are established in many non-EU and non-associated countries ('Third countries'). The 'NCP Services' section lists services such as guidance on choosing topics, advice on administrative procedures, training, and assistance in partner search. Below this, a 'Search for your NCP' section allows users to search by country, name, host record, or organization. A dropdown menu for 'Select the country' shows 'Member states' with 'Austria' and 'Belgium' listed. To the right, a search bar shows 'Future and Emerging Technologies' and 'Marie Skłodowska-Curie' selected. Red arrows point from the text 'Your Country' to the 'Select the country' dropdown and from the text 'MSCA' to the 'Marie Skłodowska-Curie' search term.
