This project is funded by the
Horizon 2020 EU FP for R&I under
grant agreement no. 692476

The overall aim of the RI-LINKS2UA project is to further support and enhance the integration of Ukraine into the European Research Area

Supportive R&I measures and activities which:

ARE ACHIEVED BY THE CONSORTIUM

- 1 to further support and stimulate the policy dialogue on Research & Innovation between EU and Ukraine and therefore to enable the better integration of Ukraine into ERA, by identifying remaining obstacles, drivers and opportunities through analytical evidence and R&I policy advice
- 2 to contribute to the improvement of supportive framework conditions in the field of R&I through a targeted portfolio of activities in order to systematically enhance and stimulate the EU-Ukraine STI cooperation
- 3 to further encourage and facilitate cooperation between research actors from the EU and Ukraine through a set of supportive R&I measures and by promoting EU-Ukrainian participation in joint projects in Horizon 2020 and other EU funded programmes

RI-LINKS2UA project is supported by ministries responsible for research from 7 EU Member States as well as by core members of the project consortium from Ukraine: the Ministry of Education and Science of Ukraine and the National Academy of Sciences Ukraine.
